			BUILDING PLANS FOR AMOCO BLDG. AND AMOCO CARWASH BY: MADISON INDUSTRIES BOX 131, 1035 S. ACCESS RD. CONYERS, GEORGIA 30207 (404) 483-4401	<ol style="list-style-type: none"> Primary use will entail sale of gasoline for private automobiles. These sales will comprise approximately 70% to 80% of the total sale. The remaining 20% to 30% will be comprised of the sale of beverages, snack items and limited food items (milk, bread, etc.). Also, included in the remaining sales is the use of the carwash. Install underground automatic irrigation system for consistent maintenance of landscaped areas. Provide deceleration lane, constructed to D.O.T. and Town standards off of Chatham Street to alleviate possible congestion due to traffic ingress and egress. All development will abide by the watershed protection ordinances of the Town of Cary. The maximum building square footage of heated space shall not exceed 1100 square feet for the main building and 800 square feet for the car wash building.
