Good Afternoon:

The Wake County parcel identified by PIN: **0725773847** is partially within the RDU Transitional Zone yet well beyond the perimeter of the RDU Horizontal Zone.

The proposed structure has an estimated finished height of +/- 358' MSL which does not extend beyond the height limit prescribed by this zone.

According to bullet "C" on page 8 of the ***RDU Height Zoning Ordinance*** structures within the Transitional Zone and beyond the perimeter of the horizontal zone can be up to 75' before they require an RDU permit.

Sincerely,

Mary Ruth Dana
GIS Manager
