RE: Riley Contracting – Exterior Staining; Project ID: 292845

Dear Development Plan Submittal Committee:

On behalf of Riley Contracting Group, thank you for taking the time to review our submittal for the request of Exterior Staining of the 219 E. Chatham St. building. Included in this document is the proposed color swatch for the stain as well as a photo of the front of our office building.

While we want to increase the aesthetic of our building, the overall goal is to complete the staining while maintaining the integrity of the surrounding buildings of downtown Cary. We believe this will benefit not only our building, but the building in close proximity.

After your review, please let me know if you need any additional information to process this request.

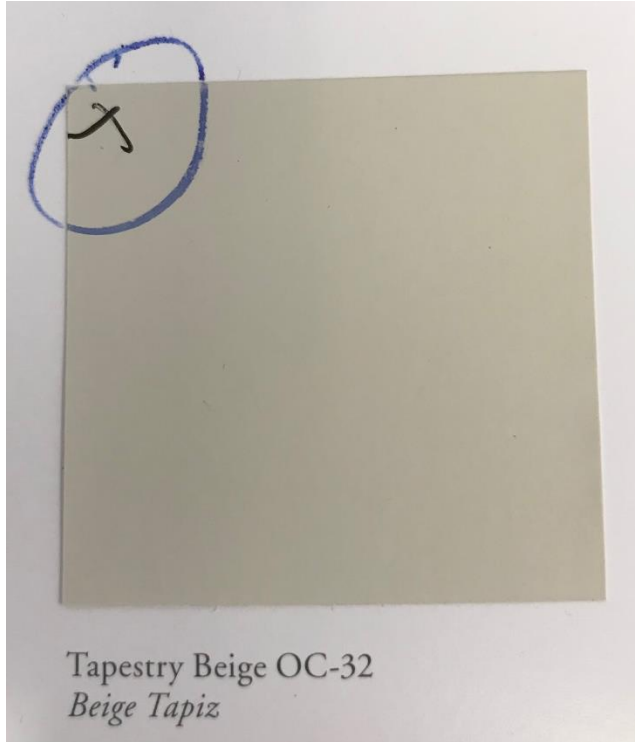

Sincerely,

Calin Riley
President
