Engineer/Inspector Disclaimer
 The presence of the Town of Morrisville or Town of Cary Engineer or Inspector at the work site shall in no way lessen the Owner's responsibility for conformity with the plans and specifications. Should the Engineer or Inspector prior to, during, or after construction fail to identify or report materials or work that does not conform with the plans and specifications, whether from lack of discovery or for any other reason, it shall in no way prevent later rejection and correction of the unsatisfactory materials or work when discovered. This is also true if the work has been accepted and is currently being maintained by the Town of Morrisville or Town of Cary. The Owner shall be responsible for correction of all work that does not conform to the plans and specifications.

Revisit Disclaimer
 Should the Town of Morrisville or Town of Cary fail to identify, that the Owner/Developer has not addressed the comments made by either Town, or that the Plans and Specifications are not in compliance with respective town Ordinances, Standards, Specifications, and Detail whether from lack of discovery or for any other reason it shall in no way relieve the Owner/Developer of their obligation thereof, nor obligate the Town of Morrisville or the Town of Cary to correct such errors or omissions. Execution of this construction plan by the Revisit Engineer or Planner for either Town in no way limits the responsibility of the Owner and Private Easements shall be recorded prior to final acceptance by the Town.

Construction Requirements
 All public and private work including, but not limited to watermain, water services, sanitary sewers, sanitary sewer services, storm sewers, drainage systems, roads, sidewalks, parking lots, site grading and landscaping shall be constructed in accordance with the Town of Morrisville and the Town of Cary Ordinances, Standards, Specifications, and Details that are applicable. No deviations from the Owner/Developer's Submitted plans will be allowed unless written approval from the Town of Morrisville is received, along with permission from the Town of Cary for water and sanitary sewer deviations. All Public and Private Easements shall be recorded prior to final acceptance by the Town.
