**Construction Requirements**  
 All public and private work, including but not limited to watermain, water services, sanitary sewers, sanitary sewer services, storm sewers, drainage systems, roads, sidewalks, parking lots, site grading and landscaping shall be constructed in accordance with the Town of Morrisville and the Town of Cary Ordinances, Standards, Specifications, and Details that are applicable. No deviations from the Owner/Developer's Submittal phase will be allowed unless written approval from the Town of Morrisville or the Town of Cary is received. Execution of this construction plan by the Review Engineer or Planner for the Town of Morrisville or the Town of Cary shall be subject to the approval of the Engineer of Record with regard to compliance with all Federal, State, and local standards, regulations and/or conditions.

**Review Disclaimer**  
 Should the Town of Morrisville or Town of Cary fail to identify, that the Owner/Developer has not addressed the comments made by either Town, or that the Plans and Specifications are not in compliance with respective town Ordinances, Standards, Specifications, and Details whether from lack of discovery or for any other reason it shall in no way relieve the Owner/Developer of their obligation thereof, nor obligate the Town of Morrisville or the Town of Cary to correct such errors or omissions. Execution of this construction plan by the Review Engineer or Planner for the Town of Morrisville or the Town of Cary shall be subject to the approval of the Engineer of Record with regard to compliance with all Federal, State, and local standards, regulations and/or conditions.

**Engineer/Inspector Disclaimer**  
 The presence of the Town of Morrisville or Town of Cary Engineer or Inspector at the work site shall in no way lessen the Owner's responsibility for conformity with the plans and specifications. Should the Engineer or Inspector prior to, during, or after construction fail to identify or reject materials or work that does not conform with the plans and specifications, whether from lack of discovery or for any other reason, it shall in no way prevent later rejection and correction of the unsatisfactory materials or work when discovered. This is also true if the work has been accepted and is currently being maintained by the Town of Morrisville or Town of Cary. The Owner shall be responsible for correction of all work that does not conform to the plans and specifications.

**Morrisville Project Town of Cary Utility Approval**  
 Water And Sanitary Sewer System  
 On April 3, 2008 the ownership, construction, operation, maintenance, management, and financing of the Town of Morrisville's water and sanitary sewer systems within the present and future corporate limits and Urban Service Area limits of the Town of Morrisville was transferred to the Town of Cary as per the merger agreement between these two Towns. All water and sanitary sewer system design and construction shall be in accordance with the Town of Cary, Standard, Specifications, and the Standard Construction Detail Drawings

Approved by the Town of Cary  
 Engineering \_\_\_\_\_ Date \_\_\_\_\_

**Owner Certification**  
 The Owner/Developer hereby certifies that all Town comments have been incorporated into the Drawings and Specifications, the Drawings are in compliance with all Federal, State, Local Ordinances and Standards, specifications, and Details and the Owner has checked the plans to confirm that there are no errors or omissions. The Owner/Developer hereby certifies and agrees to take such action as may be required by the Town of Morrisville and Town of Cary to correct any errors, omissions or non-compliance with Town of Morrisville and Town of Cary Ordinances, Standards, Specifications, and Details and/or re-execution of this construction plan with the appropriate corrections and/or revisions.
